

FBHV Drive it Day 2020 26 April

This year the club will visit A.S. Motorsport in Bressingham where handbuilt racing cars are constructed.

The assembly point for the run to this site will be at Peter Beales Roses at Attleborough, meeting up at 10:00hrs and leaving for A.S. Motorsport at 10:45hrs.

For any members where this will make the run too far we will be arriving at the Bressingham site at around 11:15hrs. Onsite we'll be able to see cars in various stages of construction . Tea and coffee will be available and there is a free BBQ from midday. Their open day is free but donations to the worthwhile EACH charity are welcome. They anticipate visits from other clubs/enthusiasts.

Following our visit we will motor to the White Hart Inn at Roydon for a meal for any members interested. The pub serves Sunday roast until 14:00hrs. Appropriate numbers need to be relayed to the pub to give ample notice for booking as they are very busy on Sundays, so anyone intending eating there should advise Phil Sharpe (p.r.sharpe@talktalk.net/01603 744981) not less than a fortnight before the day.

Site information:

***Peter Beales Roses can be found on the London Road (Leave the A11 at Breckland Lodge, carry on past "White Lodge" and the site is on your right.
(Postal Add. - London Rd, Attleborough NR17 1AY)***

***A.S.Motorsport is on Fersfield Road, Bressingham, but from the road is still only signed as "Poplar Farm"
(Postal Add. - Poplar Farm, Fersfield Road, Bressingham, IP22 2AP)***
