NEWS SHEET FEB/MAR 07

28th February 2007

Dear Norfolk Austin Sevens,

Membership List.

Now that all the membership renewals are in, I have now been able to put together the current NA7C Membership List, which I have attached. At the AGM, it was agreed that it would be a good idea to enable club members to be able to contact other club members who have similar models of Austin Seven directly, without having to come through me. So the 2007 Membership List includes the telephone numbers, email addresses, as well as the year of Austin Seven, to make this possible. However, because we are aware of the possible security considerations, no more than the name of the village or town is given with respect of the postal address. Please let me know of any errors or omissions that have occurred. I hope that you find this list of use.

Forthcoming Events.

Our next **club night on the 20th March** will be back to the normal Noggin & Natter, after our enjoyable and interesting talk on the Mirov, for our February meeting.

On the following Tuesday evening, the **27th March**, we will be having our return match for the **Jaguar Drivers Quiz Night**. By the previous year's formats we will need two teams of four, plus as many supporters as we can entice to come along. All of those members who would like to join in the fun and be part of the NA7C Team, please let me know as soon as possible.

Sunday 1st April. The Essex Windmill Run, organized by the Essex Austin 7 Club. Contact Michael Applin, Chairman of EA7C for details. 01227-821209.

Sunday 15th April. Sevens to the Sea. A run from Lincoln to Cleethorpes, organized by the PWA7C – Lincoln, open to all Austin Sevens.

Sunday 22nd April. The Second Norfolk St. George's Day Run / National Drive It Day, when we should all get out in our Austin Seven or other Historic Car and go for a drive. Have an enjoyable drive out in the Norfolk countryside. Remember that it is a case of - "**USE IT OR LOOSE IT!!**" as far as our **right to use our old cars on today's road**. See the January Natter for the route map.

Sunday 6th June. Ipswich to Felixstowe Run, organized by the Essex Austin 7 Club. Contact Michael Applin, Chairman of EA7C for details. 01227-821209.

John Clark has given me a number of entry forms for the **Wymondham Old Timer Vintage/Classic Transport Show on Sunday 6th May**, to be held at Pensthorpe, Nr Fakenham. Entry fee for the rally is £5, to cover entrance of the car, driver and one passenger. I hope that we will be able to raise the NA7C gazebo for our Austin Sevens to gather around. Entries received by 6th April will receive a souvenir plaque.

Sunday 13th May, NA7C members Ron and Barbara Houghton have invited us along to join them for their annual "**Oily Rag Event**", held at their home at Harris Green, near Hardwick. For the uninitiated, this is a friendly gathering of static engine and old car enthusiasts –particularly of the Austin Seven variety. Ron & Barbara need to know how many people are coming along as Barbara provides a really lovely buffet, so please contact them on 01508-530580. A collection is made in aid of their daughter's mission Peshawar in the North West Frontier of Pakistan.

24th to 28th May. The “Molentocht 2007” or “Dutch Windmill Run”. A great introduction to driving your Austin 7 on the continent with plenty of support. See the January Natter for details.

The weekend of 26th to 28th May, members of the Cambridgeshire Austin Seven Club are venturing into Norfolk for a camping holiday **and we are going to meet up with them** for a road run or some such event. You will learn more of what is planned when it is planned!!!

Sunday 3rd June. Autokarna, at Woolerton Park, Nottingham. A great annual Austin Seven event organised by the Pre-War Austin Seven Club.

Tuesday 19th June will be Rides Night when we take each other out for a ride in the countryside in our Austin Seven or whichever other interesting car from your stable that you would like to come along in. Also, as it will be **Guest Night**, so please invite a guest along who is interested in Austin Sevens and you think would enjoy the evening.

Sunday 24th June is the day of the **East Anglian Austin Seven Trophy Event**, held as part of the Wings, Wheels and Steam Rally, at Rougham Airfield, Nr. Bury St Edmunds. This is a **MUST GO TO EVENT**, with a great atmosphere, lots going on (George took home some freshly sawn wooden planks, cut by a traction engine saw bench, in his Chummy last year), and because Charles won the trophy for the club last year, we have to organize it. **Charles Levien is planning a Road Run, either to or from Rougham, with the start or the end being in the Dereham area. Which ever end of the day the road run takes place, it will be along a very interesting Austin 7 type route, so please contact him for more details** (Tel:- 01362-684296). Come along in your Austin Seven and meet other Austineers from Essex, Suffolk and Cambridgeshire. If you went last year you should have received an application form. Those of you who did not go last year but want to join us in the fun this year, I do have some application forms. Please note that when you fill in the form, as members of the East Anglian Austin Seven Group, we have a special agreement with the organizers that we will only be attending the event on the Sunday (unless of course you wish to attend on both days), so please note on the form that you will only be attending on the Sunday because you are “*bringing your Austin 7 with the East Anglian Austin 7 Group*”. **Please let me know if you will be going so that we can book a souvenir plaque for you, otherwise we cannot guarantee one for you.**

**REMEMBER TO
ENJOY YOUR A7 IN 07**

Best Wishes

Jim B
