Committee News

As reported in the January NA7ter, the club now has a fully-functioning and enthusiastic committee. However, since their election, some changes have been found necessary. We now live in a world where the majority of us have become used to the convenience of using emails for communication and to receive and send information and documents. When Jim asked John to take on the duties of the NA7C Secretary, Jim knew that John did not have an email connection, but thought that as we did not have email to run things in the not too distant past, that it would work out OK. However, from the experience of the month after the AGM, we have come to realise just how much we depend on using email these days, which means that the Secretary must be connected by email. As John Hazell was finding it difficult to do the work of Club Secretary without email, the Committee has agreed that, **until another volunteer comes forward**, Jim Blacklock will resume the duties of Secretary. John, of course, remains a Committee Member.

It was also thought advisable to have someone responsible for events, so Dave Rix (who has an interest in what old car events are happening in Norfolk), has been co-opted onto the committee as Events Co-ordinator. The full list of the revised Committee is:

Chairman/Secretary	Jim Blacklock	Tel: 01493-750805	email: jb.na7c@tesco.net
Treasurer/Membership Secretary	Matt Dingle	Tel: 01603 714199	email: mattd.na7c@tiscali.co.uk
Events Co-ordinator	Dave Rix	Tel: 01508-493419	email: arlberg@waitrose.com
Editor	Rick Fryer	Tel: 01362 696114	email: rf.na7c@tiscali.co.uk
Committee Member	John Hazell	Tel: 01953 488219	

Refreshments on Club Nights

Following the success of the chip butties at the AGM, your committee has decided that these will be provided **free** on every club night. Bon appetite!

Membership List

All the membership renewals are in and the 2008 Membership List is attached. As in previous years, the Membership List includes telephone numbers and email addresses, as well as the details of each member's cars. However, because we are aware of the possible security considerations, no more than the name of the village or town is given with respect of the postal address. Please let Matt Dingle know of any errors or omissions that may have occurred.

Breakdown Assistance Volunteers

Also attached is the 2008 NA7C Breakdown Assistance Volunteers List. This details the club members that have agreed to provide assistance in the event of serious roadside breakdowns. If you would like to be included in future issues of the register, please contact Matt Dingle.

Forthcoming Events

Events Calendar

The up-to-date Events Calendar is attached. As you will see, there is a very full programme of events planned throughout the year and further details will appear in due course. If you know of any other events that you feel may be of interest to club members, please contact Dave Rix.

Note: Please notify the organiser if you plan to attend any event. This is particularly important if catering is involved

Quiz

Our next club night, on the 18th March, will be our annual Quiz with the Jaguar Drivers Club. Following our win last year, we are responsible for this year's event and Charles Levien has promised us an amusingly challenging quiz, organised to enable everyone to participate. So, come along and take part!

April Road Runs

Two road runs are planned for April.

Sunday 20th is the FBHVC Drive-It Day and Jim Blacklock is organising a run. On the following Sunday, the 27th, Peter Brown is organising the April Amble. Further details as they become known.

Forthcoming Shows

The first show of the year will be the Wymondham Old Timers Vintage/Classic Transport Show at Pensthorpe Nature Reserve, Fakenham, on Sunday 4th May. On the following Sunday, 11th May, the Wings and Wheels show will be held at Henham, while Sunday 25th May sees the Strumpshaw Steam Rally

Other Events

Also in May, on Sunday 18th, Ron and Barbara Houghton will be hosting their "Oily Rag Day". Please let Ron know if you plan to attend.

Further details of all the above in April's NA7ter.
